## \$250,000.00 SETTLEMENT: *Swimming Pool Case*

**THE LAW OFFICES OF JUSTIN G. MORGAN, P.A.** successfully negotiated a settlement for its client when the client's minor child drowned in a swimming pool accident. In a tragic and sad event, the client's minor son was being looked after by his grandmother at her home when the accident occurred.

On behalf of our client, the mother of the child, we made a claim against the grandmother's homeowners' liability insurance policy. Initially the liability insurance company denied the claim, due to specific language in the insurance policy. They alleged that they would not be responsible for the tragic death of the child because they deemed him to be a full time resident of the grandmother's home. **THE LAW OFFICES OF JUSTIN G. MORGAN, P.A.** through its expertise in researching the law, determined that the insurance company was incorrect. After much negotiation between the insurance company and **THE LAW OFFICES OF JUSTIN G. MORGAN, P.A.**, a settlement in the amount of \$250,000.00 was reached in favor of our client.

**THE LAW OFFICES OF JUSTIN G. MORGAN, P.A.** never charges for a consultation and is always available to visit your home, work, or hospital for a consultation.

## **EQUAL JUSTICE UNDER THE LAW**

## **\$210,000.00 Car Accident Settlement**

**THE LAW OFFICES OF JUSTIN G. MORGAN, P.A.** recovered \$210,000.00 for its client Mr. A. when he was involved in a multi-car accident. Three automobiles were involved in this accident which caused the case to be quite unusual. Originally, our client's injuries seemed to be soft tissue in nature, but as treatment intensified, the doctors recommended that our client would be a candidate for surgery.

Upon receiving the medical diagnoses, **THE LAW OFFICES OF JUSTIN G. MORGAN, P.A.** immediately and diligently researched the causation of the accident and realized that all 3 vehicles caused our client's injuries. We decided to make a demand upon all the insurance companies liability policies. While the negotiations were intense because there were three insurance companies involved, **THE LAW FIRM OF JUSTIN G. MORGAN, P.A.** successfully recovered one hundred percent (100%) of the policy limits. This resulted in our client receiving \$210,000.00.

Serious injuries deserve intensive legal representation. To have an attorney review your personal injury case, please call toll free at 1-800-9-JUSTIN. We are available 24/7 **AND NEVER CHARGE FOR AN INITIAL CONSULTATION.** If we establish a cause of action, we will work on a contingency fee basis, which means that we do not receive a fee unless we can bring about an award, settlement, or recovery of funds.
