\$325,000.00 FALL DOWN RECOVERY

The Law Offices of Justin G. Morgan, P.A. recently made a recovery of \$325,000.00 for a client who slipped and fell while walking down stairs after visiting with a relative at a condominium association.

Our client injured her ankle and despite initial conservative medical treatment, our client's ankle did not improve. Ultimately, she had to have ankle surgery. Unfortunately, the ankle surgery did not resolve our client's injury and the doctor had to re-do the surgery. Our client had no health insurance for medical care and her medical bills exceeded \$85,000.00.

The Law Offices of Justin G. Morgan, P.A. sent a pre-suit settlement demand to the condominium association's insurance company in hopes of avoiding litigation for our client. The insurance company flatly denied the claim stating that the condominium association did nothing wrong to cause the accident. Their offer was \$0.00. Not being deterred by the flat denial, The Law Offices of Justin G. Morgan, P.A. filed a lawsuit on behalf of our client. After painstaking investigation it was revealed that the stairs were defectively designed in such a way that rain water pooled and ran down the stairs. Apparently the condominium association was aware of the problem and did nothing to resolve it.

After ten (10) months of litigation, a recovery of \$325,000.00

was made on behalf of our client, prior to both mediation and trial.

If you have been hurt in a slip and fall accident it is important that you understand the real agenda of the insurance company in your case. Understand that the insurance company is not your friend. They are not looking out for your interests.

Insurance companies exist **to make money**. Insurance companies make money by selling insurance and receiving premium payments. They invest this money and make even more money. Insurance companies lose money by paying money to people who were hurt in slip and fall accidents caused by the people that they insure. That is why you need our *personal injury law firm* to represent you. The Law Offices of Justin G. Morgan, P.A. has the experience and expertise to negotiate the best settlement possible for your claim.

The resulting expense of a car accident can create extreme financial burdens which can result in the loss of employment, the loss of the family home, and the loss of financial security.

Dear Clients and Colleagues:

Thank you so much for the trust you have placed in our firm. Proudly, many of our clients come from referrals from former clients and lawyers. If you believe that your insurance company is acting in bad faith, talk to me about your situation. Call the office at **1-800-9-JUSTIN** and ask to speak to me personally. It is through hard work, attentiveness, and years of experience that I have been able to challenge insurance companies who refuse to compensate injured persons. Our office will make sure that if you have been injured, through no fault of your own, you have the means and the compensation to continue providing for your family.
